# SoulCraftAI
Learning
Community

Take your Chat GPT game to the next level.

Supercharge your program delivery.

Learning

Weekly AI workshops, access to prompt and command libraries, and video tips for skill building.

Value

Continuous GPT learning, discounted sessions, custom AI support, and savings on tailored solutions.

Community

Regular AI updates, private Q&A group, and exclusive Facebook/LinkedIn community access.

About this program

Embark on an inspiring journey with Chat GPT at your side. SoulCraftAI is not merely a course; it's a transformative path designed with coaches, consultants and service providers in mind. We guide you in seamlessly weaving AI into your programs, invigorating your service delivery with unmatched flexibility and cutting-edge innovation. Our program is crafted to ensure you're never swamped with information. Instead, you'll evolve alongside the program, steadily mastering the art of ChatGPT to elevate your practice.

The learning curve with SoulCraftAI is a journey of continuous discovery and skill enhancement.

Each week, you're invited to participate in interactive, insightful workshops conducted via Zoom, designed to deepen your understanding and application of AI in your field.

Gain unrestricted access to an expansive library of carefully curated prompt ideas and command guides, along with a treasure trove of video tips.

These resources are not just educational tools; they are catalysts for creativity and efficiency in your work, enabling you to stay ahead in the ever-evolving landscape of AI technology.

Value

With SoulCraftAI, you'll open new horizons in your professional journey by integrating advanced AI learning into your practice.

The SoulCraftAI program offers you an ongoing educational experience with Chat GPT technology, tailored to your unique consulting and coaching needs.

Plus you'll also benefit from significant discounts on individual sessions and custom solutions, ensuring you get the most value for your investment.

SoulCraftAI support is more than just assistance; it's a partnership in innovation, designed to elevate your service delivery to new heights of excellence and efficiency.

Community

Being part of the SoulCraftAI community means more than just having access to new features; it's about being part of a dynamic, forward-thinking network of professionals.

Our private Q&A group offers a space for in-depth discussions, problem-solving, and sharing insights with peers, mentors, and industry leaders.

The community extends to social platforms like Facebook and LinkedIn, where you can connect, collaborate, and grow with like-minded professionals.

This is a community that thrives on mutual support and collective advancement in the realm of AI integration in coaching and consulting.
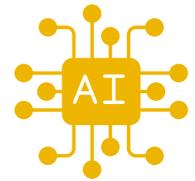

We understand the importance of accessible and continuous learning in the rapidly evolving field of AI.

Embrace continuous AI learning with SoulCraftAI at an unmatched value:

- **Affordable Subscription:** *Starting at only $100 per month, breaking down to $25 per week.*

- **Economical Alternative:** *Traditional courses often cost well over $1200, and once they are over – you're on your own*

- **Ongoing Learning:** *Continuous access ensures your knowledge is always current*

- **Value-Packed Workshops:** *Weekly sessions deliver expertise beyond the typical hourly rate*

- **Member Discounts:** *Enjoy up to 20% off on bespoke consulting and custom GPT building rates*
